Announcements from Unit 503

Our unit is happy to announce that a **Non-Life Master Sectional Tournament** is scheduled for **January 30 – 31** at our fabulous **Bridge Center**. A committee has been hard at work to offer sections and flights for all levels and to make it an enjoyable weekend.

Schedule:

Pairs games both days at 9:30 am

Two-session SWISS Sunday at 9:30 am and approx. 2:00 pm.

Goodies pre-sessions and a light lunch for SWISSer's on Sunday.

Lots of master points, lectures after pairs games, and, most important, great fun and friendship.

Please note signups must be made [electronically](#) on the web site by January 27th. Don't wait around or you may find both days are full.
